"Hurray for California!"

Join us in celebrating our good news: Education dollars are coming back, we have a 100% Democratic Administration and may even have a surplus in our State budget.

Our theme for this year's **Dining with Democrats** is one of celebration. Next year the hard work begins as we campaign for our State Officers.

Our keynote: Senate President pro tem Darell Steinberg
Special guest speakers: Congressman Jared Huffman, Assemblymember Marc Levine
MC: Peter B. Collins

These awards will be presented:

Alex Forman Peace Award
Charles McGlashan Environmental Award

And of course a spectacular silent auction and great food prepared by Eddie Crocker.
